Quick Reference Catalog
The Encore Landscape Lighting System™ combined with Encore’s superior products will create beauty, safety, and security all in a simple-to-install system. The Encore Landscape Lighting System allows for easy installation of fixtures and transformers while delivering balanced voltage to each fixture, creating a consistent lighting portrait to every project.

The Encore Perfect Post Path System™ offers the flexibility of interchanging the shades on each path light without replacing the entire fixture allowing for cost effective seasonal design changes.

Dare to Compare
- Our exceptional quality and innovative product line uses the finest materials available, including solid brass, copper, stainless steel, and a superior grade of cast aluminum.
- Our innovative fixtures are user friendly and can be adjusted without the use of tools.
- Our lifetime warranty and unsurpassed service is second to none.
- Our state of the art factory and shipping department allow for orders to be processed and shipped the same day.

Encore Landscape Lighting Products are the choice by professionals who require reliable products of superior quality that will last a lifetime.
PATH AND AREA LIGHTING

**Application:** Illuminating Pathways, Bed Areas and Driveways

**Construction:** Cast Brass Shade with Heavy Brass Post

**Finish:** Antiqued Brass

**Wire Lead:** 25 Feet of 18-2 Wire

**Stake:** X-801 Heavy Duty Ground Stake

**Lamp:** LED: 3 Watt G4 Bi-Pin

**Lens:** Clear and Frosted Glass Dome

**Height:** 15”, 20” and 24”
